

## **THE JOB**

As Chief Officer you are second in command. All navigation, voyages planning, crewing, safety equipment, customs and immigration affairs are your responsibility.

## **ABOUT SWAN EXPEDITIONS**

The sailing schedule of our fleet consists of trips all over the world. With our educational Masterskip program for secondary school students, we sail halfway around the world from November to June. The other part of the year we conduct expeditions around Iceland, Greenland and Spitsbergen, participate in Tall Ships Races, organize high level corporate events, partner with organizations for leadership and sail with individuals in several countries in Northwestern Europe. We stimulate growth within our organization and work with various agreements for our crew on board. Together with the shipping company, we determine the course of Swan Expeditions B.V.
